

## **ALBERTA ATHLETIC THERAPISTS ASSOCIATION**

### 2009-2010 Ethics Committee, Year End Report

Thankfully and without complaints, the ethics committee was very quiet this year. The only activity of this committee was on the part of the chairman, as I was charged with cleaning up a few loose ends in the development of the ethics documents. In specific, reciprocity between the national and provincial bodies has been implemented. Any rulings from the national body will be honored by the provincial body. The ground work has been set in place for this to occur in the other direction as well. This was identified as an issue during the CATA rulings out of Winnipeg earlier this year.

The ethics committee was a complete committee last year. At this time, I would like to list the members of the committee and thank them for allowing their name to stand on the AATA ethics committee. You will see below there are five members who will be rotating off the board this year. This includes myself as chairperson. I will not attempt to renew my term in this position, and therefore encourage anyone interested in this post to contact the executive to discuss the possibility of taking over this portfolio. Have no fear however, I will be the first person to help you if you find yourself in a situation that you don't quite know what to do with. As well, if anyone interested in sitting on this board please see the attached application form attached to this report (Clare, Nikko, Nicole, and Meaghan, please don't hesitate to re-apply if you would like to!).

#### Term ending 2010

Chair of the Ethics committee

- Bonnie Sutter
